Dear Parent/Guardian:

On Saturday April 27 at 2:00pm, our Sailor community has the opportunity to watch the Academy Award nominated film *American History X* followed by a Q&A with the screenwriter and NHHS Class of 1986 alumni David McKenna on campus in the theater.

Based on McKenna's experiences in the punk rock scene, this important film depicts how prejudice can tear a family apart. It received critical acclaim and an Academy Award nomination for Edward Norton as Best Actor. After the showing of the film, there will be a discussion of the making of the movie, as well as its themes and the issues it raises.

More details & Tickets can be found here: www.newportharboralumni.org/american-history-x

This movie is Rated R for mature content. It depicts acts and language that are violent and racist, and all viewers are advised to use caution when engaging with this material. Because of this, students under 18 need to present a signed Parent Permission Form (along with their Ticket) at the door.

If your student has permission to attend this event, please fill in and sign this form, and have them present it at the door with their Ticket.

Thank you,
NHHS Alumni Association
